Please note that we will be charging your card starting August 31st for the Fall allocation. Keep in mind pick-up members, you are more than welcome to visit anytime after that to collect your wines. For those who prefer shipping please make sure your address is up to date. The Fall shipment is set to go out the week of November 3rd, so keep an eye out for your tracking and delivery!

As always, we would love to welcome you to the tasting room to sample the new 2023 vintage. We will be rolling those out starting the week of Sept 1st! We are open Wednesday through Monday at our Tin City Tasting Room, and there is no better way to experience the wines than with a personal visit. Book your tasting appointment online [here](#). Come taste the new releases and let us share our excitement with you in person!

If you have any questions, we are always available to answer them by phone or email or come stop by for a visit!

Thank you once again for your continued support. We are incredibly grateful for you, and we look forward to sharing more wonderful things with you soon!

Cheers!
