

2021 G2

92% Syrah, 6% Mataro, 2% Grenache
G2 Vineyard, Willow Creek District
90% new French oak for 22 months
15.3% ABV · 277 cases produced

Intensely aromatic, the 2021 G2 Syrah reveals an alluring blend of sweet baking spices, brown sugar, and white pepper complemented by cedar and delicate ripe cherry. Red licorice and roasted game meat add depth while rich blue and black fruits intermingle in the background. Chalky tannin hints at a future of silky refinement. With flavors evolving from citrus sap and Thai basil to luscious blueberry compote and subtle hints of pastry crust, G2 offers muscular structure that promises a graceful evolution.

2021 Willow's Cuvée

43% Grenache, 25% Syrah, 18% Mataro, 14% Graciano
James Berry, G2, & Kruse Vineyards, Willow Creek District
70% new French oak for 22 months
15.7% ABV · 345 cases produced

Our take on the classic GSM blend, Willow's Cuvée has been elevated with a touch of Graciano, a Spanish variety. This addition deepens the wine's allure, lending a deeper color, layer of spice and heightened acidity. Aromatics of olallieberry, blood orange blossom, and peppercorn spices emerge gracefully in the glass, promising a complex sensory experience. It presents strength and elegance with refined tannins across the mid-palate, culminating in a compelling and persistent finish.

2021 Claude's Cuvée

52% Syrah, 31% Graciano, 10% Mataro, 7% Grenache
G2 Vineyard, Willow Creek District
70% new French oak for 22 months
15.5% ABV · 344 cases produced

Exemplifying the artistry of winemaking in Paso Robles and intensity from the G2 Vineyard, Claude's Cuvée is a complex and robust blend with aromatics of roasted coffee beans and alluring blue fruit. Upon the first sip, the palate is plush and layered, intertwined with rich black fig compote, graphite, and bacon fat. With a compelling salinity on the finish, the G2 terrior is noticeably present in every glass.
